

ACCESS RESTRICTIONS TO THE FORMENTOR LIGHTHOUSE

SUMMER 2022

10:00 to 22:30 from 23rd June to 15th September

For your safety. For everyone's comfort. For the environment. For the preservation of tranquility and the fresh air of the Serra de Tramuntana, a World Heritage Site.

Location of the Formentor Lighthouse

The Formentor Lighthouse is located in the far north of the Serra de Tramuntana, an area with a high environmental value. The Formentor peninsula is in the municipality of Pollença, 54 Km away from Palma.

Information on the travel restrictions

Preserving the environment of one of the most emblematic areas of the Serra de Tramuntana, a UNESCO World Heritage Site, is something that concerns us all. For this reason, the road to the Formentor lighthouse will be restricted this summer.

The Formentor road (Ma-2210) that connects the Port of Pollença with the lighthouse, **will be restricted from 10:00 to 22:30 from 23rd June to 15th September 2022.**

Who has access?

Public transport managed by the Government of the Balearic Islands (TIB) for both sections of road, discretionary transport, taxis and TNCs for the Formentor-Beach section

Residents and vehicles transporting people with reduced mobility (prior authorisation must be requested)

Service, rescue, medical, emergency and security force vehicles

Bikes and walkers

Who does not have access?

Private vehicles without authorisation

Motorcycles without authorisation

Lorries without authorisation

Information on public transport lines

Using public transport to travel to the Formentor peninsula is recommended. The TIB has a bus line **334: Alcúdia – Port of Pollença – Formentor Lighthouse.**

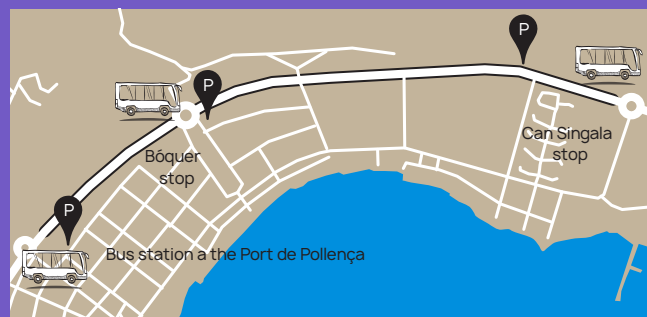

On the Formentor Peninsula, the line stops at the Mirador del Colomer, Formentor Beach, Cala Figuera-Cala Murta and Formentor Lighthouse.

Avoid the use of cash on buses, we recommend using credit cards or transport cards. For more information on the timetables, prices and the route itself, please check the website www.tib.org

Where to park

Line 334 connects with other TIB bus lines at the stop "Estació" in Port de Pollença and at the stop "Centre Històric" in Alcúdia (historical center), allowing people to do full journeys by bus from other places in Mallorca without the need to use a car.

For those arriving at the Port of Pollença by car, parking in the service lanes on the ring road is recommended. There are three stops on the ring road where travellers can get the bus towards the Formentor peninsula: Port of Pollença (42051), Bòquer (42057) and Can Singala (42055).

Stops in both directions

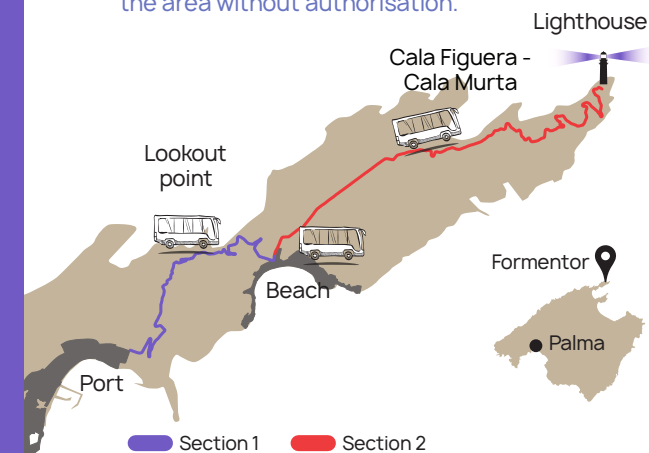

Free parking areas along the ring road

Requesting authorisation for each of the two sections

Residents, vehicles that transport people with reduced mobility and anyone else who may be authorised have to contact the DGT at least three working days in advance via the email address formentor@dgt.es.

Fines will be issued to vehicles that travel in the area without authorisation.
